Subject: Six Monthly Compliance Report of the condition of environment clearance production of ethanol in Lignocellulosic Biomass based pilot plant (10.0 MTPD).

Ref: EC No.: J-11011/488/2010-IA II (I) dated 22.03.2013.

Dear Sir,

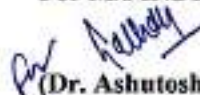

With reference to the submission of compliance report of the conditions of Environmental clearance for refereed EC for the production of Ethanol in lignocellulosic biomass based pilot plant (10 MTPD) at A-1, Industrial Area, Bazpur Road, Kashipur, District – Udham singh Nagar, Uttarakhand by M/s India glycols Limited for the Period of April, 2021 to September, 2021.

Since it's a pilot scale plant for judging the alcohol recovery from different biomass feedstock and operated accordingly. We wish to inform you that our plant was remain shut down during the compliance period. We assure that we will inform you about the plant operation & submit the EC compliance report along with the production data.

We are adhering all the safety measures along with the guidelines to implement strict social distancing and isolation measures to contain the spread of COVID-19 and complying with all the conditions as stipulated in the EC granted by Ministry of Environment and forest, New Delhi.

Thanking You,

For M/s INDIA GLYCOLS LIMITED
